- Grow either rough or smooth coats
 - rough coats are long and are _____ textured
 - smooth coats are short and dense
- Produce coats which are sable, tricolor, blue merle or predominantly white

9. Collie Behavior

- Is characterized by the following:
 - intelligent
 - friendly
 - loyal
 - _____
 - devoted
 - athletic

Breeds of Companion Animals: Dogs

– Student Notes

10. Border Collies

- Weigh _____ pounds and measure 18 to 23 inches in height
- Grow _____ length hair which can be rough or smooth
- Produce coats which are black, blue merle or sable color with white or tan markings

11. Border Collie Behavior

- Is characterized by the following:
 - athletic
 - energetic
 - _____
 - devoted
 - high endurance
 - determined

12. German Shepherds

- Weigh _____ pounds and measure 22 to 26 inches in height
- Grow straight, thick hair which is long and rough
- Produce coats which are black, black and tan, black and cream, black and silver or sable in color
- Are one of the most popular breeds in the _____

13. German Shepherd Behavior

- Is characterized by the following:
 - adaptable
 - _____
 - strong
 - high endurance
 - hard working
 - loyal
 - fearless

Breeds of Companion Animals: Dogs

– Student Notes

14. Old English Sheepdogs

- Weigh _____ pounds and measure 21 inches in height
- Grow thick and insulating hair
- Produce coats which are gray, grizzle, blue or blue merle with or without white markings
- Enjoy working with their owners in _____ settings

15. Old English Sheepdog Behavior

- Is characterized by the following:
 - adaptable
 - energetic
 - _____
 - smart
 - gentle
 - intelligent
 - hard working

16. Shetland Sheepdogs

- Weigh approximately _____ and measure from 13 to 16 inches in height
- Grow long, rough coats which are primarily sable or blue merle
- Often are thought to look like a _____ Collie

17. Shetland Sheepdog Behavior

- Is characterized by the following:
 - _____
 - loyal
 - playful
 - intelligent
 - protective
 - active

18. Pyrenean Shepherds

- Weigh _____ pounds and measure 15 to 21 inches in height
- Grow either rough-faced or smooth-faced coats which can be tan, copper, fawn, charcoal, gray, silver or combinations of colors
- Are excellent livestock _____

Breeds of Companion Animals: Dogs

– Student Notes

19. Pyrenean Shepherd Behavior

- Is characterized by the following:
 - athletic
 - _____
 - agile
 - lively
 - fearless
 - cheerful

20. Welsh Corgi, Cardigans

- Weigh _____ pounds and measure 10.5 to 12.5 inches in height
- Grow straight, _____ length hair which can be sable, red, brindle, black, blue merle, black and tan or black and brindle in color
- May have white markings

21. Welsh Corgi, Cardigans Behavior

- Is characterized by the following:
 - strong
 - fast
 - _____
 - affectionate

- Is characterized by the following:
 - athletic
 - _____
 - loyal
 - obedient
 - devoted
 - outgoing
 - over protective of family and territory

Working Dogs Segment

1. Working Dogs

- Are bred to do work such as pull sleds, make water rescues and _____ property

2. Working Dogs

- Include the following breeds:
 - Alaskan Malamute
 - Bernese Mountain Dog
 - _____
 - Doberman Pinscher
 - Great Dane
 - Great Pyrenees
 - Mastiff
 - Newfoundland
 - Portuguese Water Dog
 - Rottweiler

3. Alaskan Malamute

- Males weigh _____ and measure 25 inches in height
- Females weigh 75 pounds and measure _____ in height
- Grow thick and coarse coats with gray, white and other color combinations and marks

Breeds of Companion Animals: Dogs

– Student Notes

4. Alaskan Malamute Behavior

- Is characterized by the following:
 - athletic
 - affectionate
 - loyal
 - playful
 - _____
 - active
 - strong

5. Bernese Mountain Dogs

- Weigh _____ pounds and measure 23 to 28 inches in height
- Grow a long silky coat which is _____, with areas of black, rust and white

6. Bernese Mountain Dog Behavior

- Is characterized by the following:
 - hardy
 - calm
 - _____
 - good-natured
 - intelligence
 - strength
 - confident

7. Boxer

- Males weigh _____ pounds and measure 22 to 25 inches in height
- Females weigh 50 to 65 pounds and measure 21 to 24 inches in height
- Grow _____ hair which is fawn and brindle colored

Breeds of Companion Animals: Dogs

– Student Notes

8. Boxer Behavior

- Is characterized by the following:
 - loyal
 - _____
 - energetic
 - courageous
 - loving
 - intelligent

9. Doberman Pinschers

- Weigh _____ pounds and measure 24 to 28 inches
- Grow a short, shiny and hard coat which can be black, red, blue or fawn

10. Doberman Pinscher Behavior

- Is characterized by the following:
 - alert
 - _____
 - loyal
 - trainable
 - active
 - energetic

11. Great Danes

- Weigh _____ pounds and measure greater than 28 inches in height
- Grow a short, thick, smooth coat which can be black, blue, brindle, fawn, harlequin or mantle
 - harlequin Great Danes have a solid white base color with irregular black patches

- Weigh _____ pounds and measure 25 to 32 inches in height
- Grow a _____ coat of white, long hair which can have gray, badger, red, brown or tan markings
- Have a background of being guard dogs for flock animals, such as sheep

14. Great Pyrenees Behavior

- Is characterized by the following:
 - attentive
 - fearless
 - _____
 - gentle
 - affectionate
 - tolerant
 - protective
 - territorial

15. Mastiff

- Males weigh _____ pounds and measure 30 inches
- Females weigh 150 to 200 pounds and measure 27 inches
- Grow a _____ coat which can be fawn, apricot or brindle

Breeds of Companion Animals: Dogs

– Student Notes

16. Mastiff Behavior

- Include the following characteristics:
 - _____
 - dignified
 - good-natured
 - docile
 - active
 - fearless

17. Newfoundlands

- Weigh _____ pounds and measure 26 to 28 inches in height
- Grow a _____ double coat which can be black, brown, gray or white with black markings

18. Newfoundland Behavior

- Is characterized by the following:
 - _____
 - loyal
 - docile
 - guardians

19. Portuguese Water Dogs

- Weigh _____ pounds and measure 17 to 23 inches in height
- Grow a wavy to _____ coat, typically brown or black without any white markings

20. Portuguese Water Dog Behavior

- Is characterized by the following:
 - energetic
 - _____
 - active
 - good companion for children
 - water-loving

Breeds of Companion Animals: Dogs

– Student Notes

21. Rottweiler

- Males weigh _____ pounds and measure 24 to 27 inches in height
- Females weigh 80 to 100 pounds and measure 22 to 25 inches in height
- Grow short to _____ length hair which is black with tan to bright rust colored markings

22. Rottweiler Behavior

- Is characterized by the following:
 - _____
 - slow to anger
 - natural guarding instincts
 - great courage
 - obedient

23. Siberian Huskies

- Weigh _____ pounds and measure 20 to 23.5 inches in height
- Grow a short to medium length _____ coat which can be any color of black to white
- May have brown eyes, blue eyes, or one of each

24. Siberian Husky Behavior

- Is characterized by the following:
 - _____
 - eager to please
 - highly energetic
 - friendly to humans

- Weigh _____ pounds and measure 24 to 28 inches in height
- Have both a rough and smooth variety
 - rough variety has a medium length double coat straight or slightly wavy
 - smooth variety has a dense double coat which is _____
- May be red with white markings or white with red markings

Breeds of Companion Animals: Dogs

– Student Notes

26. Saint Bernard Behavior

- Is characterized by the following:
 - gentle
 - tolerant
 - does not fawn over strangers
 - excessively _____
 - may bite out of fear

27. Standard Schnauzers

- Weigh _____ pounds and measure 17.5 to 19.5 inches in height
- Grow a double coat consisting of a hard, wiry outer coat and a dense, _____ under coat which can be black or salt and pepper colored

28. Standard Schnauzer Behavior

- Is characterized by the following:
 - sociable
 - _____
 - comedic
 - clever
 - strong willed
 - trustworthy
 - protective

Hound Dogs Segment

1. Hound Dogs

- Are bred with a good sense of _____, high stamina and hunting performance

Breeds of Companion Animals: Dogs

– Student Notes

2. Hound Dogs

- Include the following breeds:
 - Afghan Hound
 - _____
 - Basset Hound
 - Beagle
 - Black and Tan Coonhound
 - Bloodhound
 - Dachshund
 - Greyhound
 - Rhodesian Ridgeback
 - Whippet

3. Afghan Hounds

- Weigh _____ pounds and measure 25 to 27 inches in height
- Grow long hair which comes in a variety of colors and patterns
- Are one of the _____ known breeds, pre-dating written history

4. Afghan Hound Behavior

- Is characterized by the following:
 - very active
 - _____
 - charming
 - independent
 - dignified
 - aloof

5. Basenjis

- Weigh _____ pounds and measure 16 to 17 inches in height
- Grow a short, _____ coat which can be chestnut red, black, black and tan or brindle
- Possess a tightly curled tail and wrinkled forehead
- Are not able to bark

Breeds of Companion Animals: Dogs

– Student Notes

6. Basenji Behavior

- Is categorized by the following:
 - _____
 - proud
 - alert
 - playful

7. Basset Hounds

- Weigh from _____ pounds and measure between 14 to 15 inches in height
- Grow a short, _____, dense coat which can be tri or bi-colored, with many color options

8. Basset Hound Behavior

- Is characterized by the following:
 - gentle
 - mild mannered
 - _____
 - alert
 - great with other animals and children

9. Beagles

- Weigh _____ pounds and measure 13 inches in height
- Grow medium length hair which can be red, black and white in color
- Have long hanging _____

10. Beagle Behavior

- Is characterized by the following:
 - intelligent
 - _____
 - even tempered
 - eager to please
 - great companion for children

Breeds of Companion Animals: Dogs

– Student Notes

11. Black & Tan Coonhounds

- Weigh _____ pounds and measure 23 to 27 inches in height
- Grow a short, easy to groom coat which is predominantly black with tan markings

- Grow a long and thick coat which comes in a variety of colors
- Are popular in _____ rings

16. Lhasa Apso Behavior

- Is characterized by the following:
 - gentle
 - hardy
 - _____
 - mischievous
 - agile
 - dignified

Breeds of Companion Animals: Dogs

– Student Notes

17. Poodles

- Weigh _____ pounds and measure 15-21 inches in height
- Grow dense, _____ or corded hair
- May be silver, cream, gray, blue, black, white, apricot, red or brown in color

18. Poodle Behavior

- Is characterized by the following:
 - athletic
 - playful
 - _____
 - lively
 - devoted

19. Shiba Inu

- Weigh _____ pounds and measure 13 to 17 inches in height
- Grow _____ coats which can be black and tan, red or red sesame

20. Shiba Inu Behavior

- Is characterized by the following:
 - alert
 - active
 - attentive
 - _____
 - sturdy
 - confident

Terrier Dogs Segment

1. Terrier Dogs

- Are traditionally bred to _____

Breeds of Companion Animals: Dogs

– Student Notes

2. Terrier Dogs

- Include the following breeds:
 - Bull Terrier
 - Parson Russell Terrier
 - Airedale
 - _____
 - Carin
 - Norwich
 - Rat Terrier
 - Scottish
 - West Highland White

3. Bull Terriers

- Weigh _____ pounds and measure 21 to 22 inches in height
- Grow a short coat and have _____ skin
- Can be predominately white with a colored head or predominately colored with black, brindle, red, fawn or tri-colored body
- Are known for their robust stature and oval shaped head

 - _____
 - affectionate
 - intelligent
 - independent
 - impatient
 - digger/hunter

7. Airedales

- Weigh _____ pounds and measure 20 to 23 inches in height
- Grow a dense and wiry coat which can be both tan and black or a combination of the two

8. Airedale Behavior

- Is characterized by the following:
 - clever
 - confident
 - proud
 - _____
 - courageous
 - very active
 - spirited

9. Borders

- Weigh _____ pounds and measure 11 to 16 inches in height
- Grow a wiry coat which can be red, grizzle and tan

Breeds of Companion Animals: Dogs

– Student Notes

10. Border Behavior

- Is characterized by the following:
 - very active
 - plucky
 - happy
 - _____
 - quick
 - agile
 - curious

11. Carins

- Weigh _____ pounds and measure 10 inches in height
- Grow a thick and _____ resistant double coat which can be any color except white

12. Carin Behavior

- Is characterized by the following:
 - very active
 - cheerful
 - alert
 - busy
 - _____
 - curious
 - intelligent
 - fearless

13. Norwich

- Weigh _____ pounds and measure 10 inches in height
- Grow a thick _____ coat which can be red, wheaten, black, tan or grizzle

Breeds of Companion Animals: Dogs

– Student Notes

14. Norwich Behavior

- Is characterized by the following:
 - very active
 - loyal
 - plucky
 - affectionate
 - alert
 - _____

15. Rat Terriers

- Weigh _____ pounds and measure 14 to 23 inches in height
- Grow very _____ hair
- May be red and white, tri-spotted, solid red, black and tan, blue and white or red brindle colored

16. Rat Terrier Behavior

- Is characterized by the following:
 - energetic
 - _____
 - stubborn
 - fast
 - alert

17. Scottish

- Weigh _____ pounds and measure 10 inches in height
- Grow a _____, wiry and weather resistant coat which can be black, brindle or wheaten

Breeds of Companion Animals: Dogs

– Student Notes

18. Scottish Behavior

- Is characterized by the following:
 - active
 - independent
 - _____
 - social
 - spirited
 - dignified
 - curious
 - happy

19. West Highland Whites

- Weigh _____ pounds and measure nine to 12 inches in height
- Grow a thick _____ coat which is almost always white

20. West Highland White Behavior

- Is characterized by the following:
 - very active
 - _____
 - loyal
 - entertaining
 - quick
 - curious
 - lively

Toy Dogs Segment

1. Toy Dogs

- Are bred for their _____ size and companionship

Breeds of Companion Animals: Dogs

– Student Notes

2. Toy Dogs

- Include the following breeds:
 - Cavalier King Charles Spaniel
 - Miniature Pinscher
 - _____
 - Brussels Griffon
 - Chihuahua
 - Maltese
 - Papillon
 - Pomeranian
 - Pug
 - Shih Tzu
 - Yorkshire Terrier

3. Cavalier King Charles Spaniels

- Weigh _____ pounds and measure 12 to 13 inches in height
- Have long, silky, wavy coats and can be the following colors:
 - chestnut and white
 - tri-colored
 - _____
 - black and tan

4. Cavalier King Charles Spaniel Behavior

- Is characterized by the following:
 - loving
 - _____
 - happy
 - trusting
 - easygoing
 - comforters
 - stubborn
 - intelligent

Breeds of Companion Animals: Dogs

– Student Notes

5. Miniature Pinschers

- Weight _____ pounds and measure 10 to 12.5 inches in height
- Grow a short, smooth coat and _____ an average amount
- Can be red, black and rust or chocolate and rust colored

6. Miniature Pinscher Behavior

- Is characterized by the following:
 - fearless
 - protective
 - willful
 - _____
 - curious

7. Pekingese

- Weigh less than _____ pounds and measure 6 to 9 inches in height
- Grow a long, thick _____ coat which should be groomed on a weekly basis to prevent matting
- Can be any color or combination of colors

8. Pekingese Behavior

- Is characterize by the following:
 - affectionate
 - fun-loving
 - _____
 - overbearing
